15 – 43 TANJONG PAGAR

A LITTLE BIT ABOUT US

Established in 2014, 8M gained a reputation for **acquiring and restoring heritage shophouses in Singapore**, preserving their historical charm while transforming them into modern spaces. This success in the niche market laid a strong foundation for growth, earning recognition for **quality, creativity, and cultural preservation**.

Over the years, 8M diversified its investments to include various property types, adapting to Singapore's dynamic real estate landscape. Today, our portfolio includes more than **70 properties** valued at over **S\$1.5 billion**, offering more than **349,000 square feet** of leasable space.

Throughout our evolution, the company remains focused on creating destination neighbourhoods and lifestyle experiences through **thoughtful tenant curation** and **design-led developments**, while **embracing the local community**.

Engaging the community through an inaugural weekend arts and heritage-centric event

Celebrate Singapore/ Tanjong Pagar's transformation through various art mediums such as:

- **Workshops** by registered charities including Singapore Repertory Theatre, Paper Monkey Theatre and the Museum of Food.

Main Objectives:

- Infuse vibrancy into Tanjong Pagar and surrounding communities through the promotion of arts and heritage.
- Provide a platform to amplify local voices in the arts and social impact sectors.
- Engage Singapore's diverse cultural communities and strengthen social cohesion.
